

Instructions for Oxygenating Aquaboost Treatment

General Information:

- **DO** mix the contents of both packets to activate the CO2 mask.
- Apply the mask to the desired area(s) for **45 minutes** and gently peel off or rinse off with water.

IF using with another procedure to boost healing and results:

- 1 Day Prior to Procedure: Apply mask.
- Day After Procedure: Apply mask.
- 3 Days After Procedure: Apply mask.

OR

- 2 Days After Procedure: Apply mask.
- 4 Days After Procedure: Apply mask.
- 1 Week After Procedure: Apply mask.

IF using Aquaboost for rejuvenation and deep hydration:

- Apply mask 3 times in first week.
- THEN apply mask once a week x 3 weeks.
- THEN apply mask once a month thereafter for maintenance or before special events.

We want you to have an outstanding result. If you have any questions or unexpected concerns, please call the office for assistance.
